

August 2025 LILUG Meeting

August 12th, 2025 @ [Digital Ballpark](#) Pace-notes by [Chris Trimble](#)

News & Small Talk

- Debian 13 "Trixie" has been released: [Release Announcement](#)

Main Discussion: Package Manager Demo by Chris Trimble

- In this meeting we discussed various types of package managers and how they interface with the Linux system.
- This was aimed at those starting in Linux but also answered "what-if" questions and more advanced topics as requested.
- Find the presentation resources in the repository here: [Package Manager Demo](#)
